

**GAS
INDUSTRIES
ASSOCIATION**

TRAINING PROGRAM

Petroleum and Explosives Safety Organisation (PESO) and Gas Industries Association (GIA) jointly propose to conduct a training program for **Handling and Operations of Packaged Gases (Compressed Gas Cylinders).**

Date: March 12th, 2026 | **Time:** 10.00 am to 17.00 pm

Location: National Academy of Petroleum and Explosive Safety & Testing Station
18 Km Stone, Amravati Road, Gondkhairy, Nagpur 440023

This program will deliver important safety messages through practical cases and examples involving operations and analysis of incidents and more importantly the incidents which happen due to lack of operational discipline / negligence or design issues or failure of equipment. While we will give complete theoretical analysis of the problems which happen, we also explain the methods to be careful in avoiding mistakes and emphasising the human element.

How to Register:

The training program is free of cost but registration is mandatory. For registering, please send an email to anoop.tandon@gasassociation.in from your official email id, mentioning your name, company name, telephone number, your designation and number of people who will attend etc. After getting your email we will reply you with a confirmation. Limited seats available so please register at the earliest.

AGENDA
